

PELICAN BREWING COMPANY

FATHER of all TSUNAMIS

IMPERIAL STOUT ALE

AGED IN RYE WHISKEY BARRELS

One-upping the mighty Tsunami Stout is no easy task. To create a beer with even more stout character, our brewers reimagined the fabled Tsunami Stout and created a new Imperial version. Full of rich roasty flavors reminiscent of dark chocolate and espresso, Father of All Tsunamis takes things one step further by aging in Rye whiskey barrels. With layers of spiciness, vanilla and caramel coming from these barrels, Father of All Tsunamis emerges with a richness and balance beyond any stout ever created at Pelican before now.

BORN AT THE BEACH

Our home is the beach, where in 1996 the original Pelican Brewing Company was born. Today we have taken our breweries and our values to other Oregon coastal towns where we wake up each day in a place that reminds us that amazing is possible. Cheers fellow fanatics. This is as good as it gets.
