When Pelican Brewing set out to create a new take on fruit beers, there was only one compass heading: massive quantities of flavorful fruit with perfectly matched beer. Volume I of Berried at Sea creates new complexities of flavor while charting a course to the darker side of fruit beer; it begins with our legendary Tsunami Stout and evolves with the addition of Northwest-grown currants and blackberries. Raspberried at Sea starts with a base beer inspired by the Tripels of Belgium, then layers on color and flavor with immense amounts of raspberries and carefully selected Abbey-style yeast. With a light color topped by pink-hued foam, layers of bright raspberry, fruity Abbey-style yeast and light malt flavor, Raspberried at Sea brings to mind a sparkling rosé.</p> <p>ABV: 9% IBU: 25 PLATO: 18°</p> <p><u>TASTING NOTES:</u> PINK-HUED FOAM • TART RASPBERRY CHARACTER • LAYERS OF FRUITY COMPLEXITY • BRIGHT, REFRESHING FINISH •</p>			 <p>PEACHED ON DECK</p> <p>PALE LAGER WITH PEACHES</p> <p>When Pelican Brewing set out to create a new take on fruit beers, there was only one compass heading: massive quantities of flavorful fruit with perfectly matched beer.  <p>FATHER of all TSUNAMIS</p> <p>IMPERIAL STOUT ALE AGED IN RYE WHISKEY BARRELS</p> <p>One-upping the mighty Tsunami Stout is no easy task. To create a beer with even more stout character, our brewers reimagined the fabled Tsunami Stout and created a new Imperial version. Full of rich roasty flavors reminiscent of dark chocolate and espresso, Father of All Tsunamis takes things one step further by aging in Rye whiskey barrels. With layers of spiciness, vanilla and caramel coming from these barrels, Father of All Tsunamis emerges with a richness and balance beyond any stout ever created at Pelican before now.</p> <p>ABV: 11.2% IBU: 55 PLATO: 24°</p>			 <p>QUEEN of HEARTS</p> <p>SAISON ALE AGED IN GIN BARRELS</p> <p>Our Saison du Pélican is exceptional on its own; when aged in local gin barrels from our friends at Ransom Distillery, it takes on an additional dimension of harmonious flavor. The fruity and spicy aroma of the farmhouse Belgian yeast, herbaceous Goldings hops, and the well-rounded malt character of Saison du Pélican pair exquisitely with the latent botanical flavors imparted by Ransom Distillery's Old Tom gin barrels. In the practice of their craft, distillers only bottle the "heart of the hearts" (the best part of the distillate), which is why we dubbed our Saison "the Queen of Hearts."</p> <p>ABV: 6.5% IBU: 30 PLATO: 13°</p>			 <p>CAPTAIN of the COAST</p> <p>WEE HEAVY ALE AGED IN DRY FLY WHEAT WISKEY BARRELS</p> <p>For this commanding version of MacPelican's Wee Heavy we took our award winning Wee Heavy and laid it down in Washington Wheat Whiskey barrels from Dry Fly Distilling in Spokane. What emerged was recognizably Wee Heavy, but with added notes of chocolate covered cherries, toasted oak, spice and vanilla in the aroma. The first sip produces flavors reminiscent of malted milk balls and crème brûlée with a silky smooth mouthfeel. Continue on your bottle voyage and you'll find dried apricots, sherry-like flavors, and dark marmalade. The Captain welcomes you aboard.</p> <p>ABV: 5.4% IBU: 25 PLATO: 12°</p>			 <p>MOTHER of all STORMS</p> <p>ENGLISH-STYLE BARLEYWINE AGED IN BOURBON BARRELS</p> <p>There are many storms out there, all of them perfect in their own way. But there is only one Mother of all Storms and it only happens on the Oregon Coast. Based on Stormwatcher's Winterfest, our English-style barleywine, Mother of all Storms spends a year aging in Kentucky bourbon barrels. Now at its peak, Mother of all Storms delivers deep flavors of toasted malt, bourbon and oak. The finish rewards with whispers of vanilla, toffee and caramel. We suggest you hunker down, this beer is best enjoyed with winds in excess of 60mph.</p> <p>ABV: 14% IBU: 40 PLATO: 32°</p>
