# 2019 BEER RELEASES DETAILS

## PRE-PROHIBITION CREAM ALE

Kiwanda Cream Ale celebrates Cape Kiwanda, the starting point of the stunning Three Capes Scenic Route and the birthplace of Pelican Brewing Company. Inspired by one of America's traditional 19th century beer styles, Kiwanda has a golden color, floral aroma, refreshing body and a clean, snappy finish. Whether enjoyed with your toes in the sand at our oceanfront brewpub or in your own backyard, Kiwanda Cream Ale is proof that light colored beer can be both refreshing and inspiring.

**TASTING NOTES:** FLORAL AROMA • GOLDEN COLOR • REFRESHING BODY • CLEAN, SNAPPY FINISH •

## NEW-WORLD INDIA PALE ALE

To celebrate the oft-rainy Pacific Northwest, we've brewed a New-World India Pale Ale featuring exotic Ella hops loaded with aromas of kiwi and passionfruit. These fresh and zippy hops are nicely balanced by a clean pale malt character. We've liberally dry hopped Umbrella to add to its distinct and complex flavor. Enjoyable anytime, rain or shine, go ahead—grab an Umbrella and let it pour.

Like the force of nature it is named for, Tsunami Stout will bowl you over with its jet black color and dark seductive aroma. Roasted malts and unmalts barley give this full-bodied brew its dense creamy head and distinct dark chocolate and cappuccino flavors that swell to a clean, rounded malty finish. Grab a Tsunami and head for high ground.

With massive additions of Mosaic, Citra, and Centennial hops this beer delivers a bright citrus-tropical aroma with notes of ruby red grapefruit and sweet pine, blasting your olfactory sense...enough to break your beak!

## WEST COAST PILSNER

Inspired by the crystal clear waters of the six Tillamook County rivers benefiting from the Salmon SuperHwy Project, Five Fin is a uniquely "West Coast" take on the classic Pilsner beer style. Crafted with a unique blend of Centennial and Sterling hops from the Pacific Northwest and Mandarina Bavaria hops from Germany, Five Fin marries the hop-driven flavors of tangerine, pineapple, and lemon zest with classic spicy, floral notes, all balanced against a toasty malt character.

The obscure, yet bold appearance belies the bright, fruity hop flavors with notes of mango, clementine, guava and pineapple. A soft finish enhances drinkability while the clean, toasty malt adds balance. It's no milkshake, but the boys will still come to the yard for this one!

A background of toasty malt anchors the balance, highlighted with refreshing citrus flavors. A lean, crisp mouthfeel with a soft, clean finish makes Katch Kölsch eminently crushable. Fly'N Dry reimagines and amplifies what an IPA can be: fruity, hoppy and well-attenuated, with a dry, yet refreshing finish. Starting with a clean malt base, Fly'N Dry brings heaps of exotic Hüll Melon hops and punchy Citra hops to amplify the flavor party. Hints of candied orange, white grape, melon, rose, citrus and geranium combine in a range of bright hop-driven aromatics. A refreshingly dry finish counterpoints the sparkling effervescence and brings brilliant clarity to the tasting experience.  <p><b>THE BREWED ABIDES</b> WHITE RUSSIAN INSPIRED MILK STOUT</p> <p>All brewers like a cocktail from time to time, but how about the best of both worlds in this cocktail inspired beer? Taking inspiration from the classic "White Russian" cocktail as well as the movie that made it famous is "The Brewed Abides", a Milk Stout with vanilla beans, fresh roasted coffee, and cocoa nibs. This unique beer pours a chocolate color with dense off white head and entices the senses with an aromatic bouquet of vanilla, coffee, and dark chocolate.</p> <p>ABV: 7%   IBU: 25   PLATO: 17°</p> <p>TASTING NOTES: VANILLA, DARK CHOCOLATE FLAVORS • HINTS OF COFFEE • CARAMEL MALTIENESS • VELVET FULL MOUTHFEEL</p>			 <p><b>SEA BREEZE</b> ALE WITH CRANBERRIES, JUNIPER AND CITRUS PEEL</p> <p>Seabreeze takes inspiration from the original Seabreeze cocktail that marries gin, cranberry juice and grapefruit juice. To bring all the classic flavors to this atypical beer, we added cranberries to the secondary fermentation and then spiced the beer with juniper berries, lemon peel and grapefruit peel. Centennial hops for dry-hopping round out the grapefruit impression and create a beer with incredibly refreshing fruity, tart and citrus characteristics, coupled with the herbal gin-like notes of juniper. Celebrate the return of the sunshine with the brisk bold flavors of Seabreeze.</p> <p>ABV: 7.1%   IBU: 18   PLATO: 15°</p> <p>TASTING NOTES: TART, CRANBERRY FLAVORS • BRIGHT, ZESTY CITRUS TASTE • NOTES OF HERBAL JUNIPER • LUMINESCENT PINK COLOR •</p>			 <p><b>JAMAICITO</b> LAGER WITH HIBISCUS, MINT AND LIME</p> <p>Our third Lone Pelican release, Jamaicito, takes refreshing lager to a whole new realm. Take one look at this beer's hot pink color and you'll know immediately that this is not your average light lager. With clean, noble hops and classic lager malt as the basis, we've layered an infusion of hibiscus flowers, aromatic mint and tangy lime. Let the aromas of citrus zest, floral hops and hibiscus blossoms float serenely over a clean, biscuity malt foundation. Then, take in the Herbaceous mint flavors that combine beautifully with lime tartness and an ever so slight sweet aftertaste. With a finish that is effervescent and refreshing, Jamaicito will leave you feeling in the pink!</p> <p>ABV: 4.8%   IBU: 15   PLATO: 10.5°</p> <p>TASTING NOTES: FLORAL, MINTY, LIME, TART FLAVOR • MILD, HERBAL NOTES • CITRUS AROMA • LIGHT, CRISP BODY •</p>			 <p><b>SHORT DAYS LONG NIGHTS</b> AMBER ALE WITH GINGER AND CITRUS</p> <p>When Pelican Brewing set out to create a new take on fruit beers, there was only one compass heading: massive quantities of flavorful fruit with perfectly matched beer. In our never-ending quest to develop the unique and the uncommon, we discovered an enticing flavor combination with malt and peaches. Capturing the tart and sweet side of peaches, Pearly Muck delivers aromatic notes of sweet succulent peaches with a surprising champagne-like finish. The soft yellow hue hints at the velvety texture, the delicate flavors of toasty malt and sweet fruit. Lager yeast delivers a clean and crisp finish.  <p><b>FATHER of all TSUNAMIS</b> IMPERIAL STOUT ALE AGED IN RYE WHISKEY BARRELS</p> <p>One-upping the mighty Tsunami Stout is no easy task. To create a beer with even more stout character, our brewers reimagined the fabled Tsunami Stout and created a new Imperial version. Full of rich roasty flavors reminiscent of dark chocolate and espresso, Father of All Tsunamis takes things one step further by aging in Rye whiskey barrels. With layers of spiciness, vanilla and caramel coming from these barrels, Father of All Tsunamis emerges with a richness and balance beyond any stout ever created at Pelican before now.</p> <p>ABV: 11.2%   IBU: 55   PLATO: 24°</p>			 <p><b>QUEEN of HEARTS</b> SAISON ALE AGED IN GIN BARRELS</p> <p>Our Saison du Pélican is exceptional on its own; when aged in local gin barrels from our friends at Ransom Distillery, it takes on an additional dimension of harmonious flavor. The fruity and spicy aroma of the farmhouse Belgian yeast, herbaceous Goldings hops, and the well-rounded malt character of Saison du Pélican pair exquisitely with the latent botanical flavors imparted by Ransom Distillery's Old Tom gin barrels. In the practice of their craft, distillers only bottle the "heart of the hearts" (the best part of the distillate), which is why we dubbed our Saison "the Queen of Hearts."</p> <p>ABV: 6.5%   IBU: 30   PLATO: 13°</p>			 <p><b>CAPTAIN of the COAST</b> WEE HEAVY ALE AGED IN DRY FLY WHEAT WHISKEY BARRELS</p> <p>For this commanding version of MacPelican's Wee Heavy we took our award winning Wee Heavy and laid it down in Washington Wheat Whiskey barrels from Dry Fly Distilling in Spokane. What emerged was recognizably Wee Heavy, but with added notes of chocolate covered cherries, toasted oak, spice and vanilla in the aroma. The first sip produces flavors reminiscent of malted milk balls and crème brûlée with a silky smooth mouthfeel. Continue on your bottle voyage and you'll find dried apricots, sherry-like flavors, and dark marmalade. The Captain welcomes you aboard.</p> <p>ABV: 9.5%   IBU: 25   PLATO: 22°</p>			 <p><b>MOTHER of all STORMS</b> ENGLISH-STYLE BARLEYWINE AGED IN BOURBON BARRELS</p> <p>There are many storms out there, all of them perfect in their own way. But there is only one Mother of all Storms and it only happens on the Oregon Coast. Based on Stormwatcher's Winterfest, our English-style barleywine, Mother of all Storms spends a year aging in Kentucky bourbon barrels. Now at its peak, Mother of all Storms delivers deep flavors of toasted malt, bourbon and oak. The finish rewards with whispers of vanilla, toffee and caramel. We suggest you hunker down, this beer is best enjoyed with winds in excess of 60mph.</p> <p>ABV: 14%   IBU: 40   PLATO: 32°</p>
