IN PACIFIC CITY, OREGON

START YOUR STORY AT THE BEACH

Pounding surf. Soaring dunes. Our dramatic Haystack Rock and Cape Kiwanda in the distance. For your wedding and reception, there's no backdrop more beautiful than Pelican Brewing Company's beachfront location in Pacific City, Oregon.

We offer the best beach access on the Oregon Coast, guaranteeing a private, intimate ceremony for your big day. Indoors in our oceanfront banquet room, award-winning beer and food awaits your guests, who can choose from a range of close-by and comfortable lodging options.

SET UP AND CLEAN UP

We'll be ready from the moment you arrive and take care of the cleaning after you depart.

We offer a variety of stationed and butler-passed small bites before your main meal, depending on the package you choose.

MEAL SELECTION

Select from multiple package options, buffet or plated, all prepared by our classically-trained chef and available with Pelican beer pairings.

CAKE CUTTING AND SERVICE

If you'd like, we'll design a special spot for this wedding tradition and make sure every guest gets a slice.

We provide all tables, chairs, house linens with choice of colored napkins, flatware, china and glassware.

PROFESSIONAL SERVING STAFF

Our experienced servers will attend to your guests and ensure your big day is a success.

OUR LOCATION

Find us right on the sand in picturesque Pacific City, a little beach town between Tillamook and Lincoln City on Oregon's North Coast. The towering dunes of Cape Kiwanda State Natural Area are steps away, along with dozens of options for outdoor fun.

OCEANVIEW RECEPTION

The floor-to-ceiling windows in our wood-trimmed banquet room showcase stunning views of the ocean, Pacific City's own Haystack Rock, and Cape Kiwanda, with ample space for 40 to 80 reception guests. While the Pelican vibe leans toward casual, we know how to dress it up for the most elegant of wedding events.

DIRECTIONS

Pacific City is just off Highway 101, about 50 miles from Interstate 5 and less than a two-hour drive from Portland International Airport. We're conveniently located for all of your guests, but out of the way enough for a peaceful, intimate wedding and reception.

BEACH CEREMONY

Because we have access to a private beach area in front of our Pacific City Brewpub, we can host your ceremony in the sand. This allows us to rope off the area to prevent people who aren't part of the wedding from entering during the ceremony or during photographs. We will take care of acquiring the beach permits for the event.

MENUS TO TEMPT EVERY TASTE

We offer a range of simple to extravagant menus, each designed by our classically trained chef using locally sourced ingredients whenever possible. Packages include cake-cutting services, assorted sodas and all corkage fees.
