Each Pelican Neighborhood Pub is designed with the character of its community in mind, offering special events, local offerings, and opportunities to gather while supporting organizations and initiatives that make a meaningful difference close to home. In Yachats, we look forward to becoming a part of the community and building relationships that extend beyond our walls.

As part of that commitment, Pelican Brewing Yachats is proud to support organizations working to preserve and strengthen the future of the central Oregon Coast. We are honored to support View the Future and the Cape Perpetua Collaborative through recent and upcoming events, helping champion the people, places, and experiences that make the Yachats community so unique. Through these partnerships and our ongoing giveback efforts, Pelican Brewing hopes to contribute to a thriving coastal community and help protect the natural beauty and sense of place that generations have come to cherish.
